We beat the competition on ease of setup, ease of use, quality of support, and more. But don't take our word for it, take it from our users.

G2 is a verified user review site and one of the most popular B2B software review sites on the web. Our users give us higher marks than the users of Shareworks, Certent and Carta give them. We're proud of that. Please find our reviews and the reviews of our competitors on G2.com.
