“

We came for backup and  
stayed for security.

Harel Shaked

Director of IT Services & Support, Outbrain

“

We use Spin to back up our  
Google domain for about  
1000 students and  
employees...The dashboard  
shows me what I need to  
know at a glance. The restore  
process is quick and easy.

“

The support team and sales  
team are incredible, accurate,  
fast and very responsive.
