Get Shift Done™

# Take control of employee scheduling today

We'll ensure your team is up and running in a matter of days— not weeks.

## Fill open shifts

Fill open shifts with confidence from your phone with 24/7 access to your schedule.

## Clock-in anywhere

Geo-fencing ensures accurate clock-ins, making it easy to track attendance at different job sites.

## Share shift notes

Communicate vital information about each shift with your team from a remote location.

## Manage overtime

Track hourly budgets with overtime alerts and simple labor tools.

## Onboarding Time

2

the average number of days to onboard new businesses needing an immediate scheduling and attendance solution.

## Onboarding Fees

\$0

the cost to set up your account and train your team to effectively use the platform.

“

*This has been a godsend. It may seem small being a scheduling tool when we talk about saving lives, but we couldn't do it if we don't have a system that helps us appoint where the volunteers and nurses/doctors need to go.*

Megan VanWormer  
Project Coordinator at Michigan.gov

## Award-winning scheduling and time tracking software
