Fleet Card

T&E Card

Corpay Multi-Card is a single physical card that can be used for fuel, travel, and all business expenses. This one-stop-shop solution provides simple reporting, monthly rebates, built-in discounts, and fraud protections for your employees and your business. Simplify expenses by consolidating your purchasing cards into one powerful program with clear insights and customizable controls.

Improve Efficiency and Control

Access admin and cardholder dashboards for comprehensive spending oversight. Customize controls, manage approvals, view balances, and track purchase history conveniently from your mobile device.

Monthly Rebates, Flexible Payments, and More

Maximize your rebate potential by consolidating cards and unlock automated discounts on fuel purchases. Customize your payment schedule to fit your business rhythm — choose from daily, weekly, or monthly payments, all without the burden of annual fees.

Mitigate Fraud

Ensure the security of your payments by utilizing our robust security and compliance infrastructure. We employ a secure process to collect, verify, store, and manage your payment data. Additionally, we send real-time text alerts and push notifications to both cardholders and administrators, ensuring a smooth transaction review and approval process.

Implement to Your Needs

Quickly implement our solution with seamless integration into your existing ERP, requiring no middleware. Our dedicated in-house implementation teams guarantee minimal IT involvement and provide ongoing support throughout the process.
