

# WHY REACH

Understanding The REACH  
Difference From Other  
Digital Signage Software

# FULLY CUSTOMIZABLE

Don't let pre-built templates limit your creativity and communication requirements. Let's work together to identify your goals and design a custom digital signage layout that fits your unique needs. With our team's help, you can effectively communicate your message and eliminate pain points.

# FREE DESIGN SERVICES

We understand the importance of keeping your digital signage screens up-to-date with fresh designs. That's why we offer all design services for free, from the initial layout design to revisions, no matter how big or small. You won't find additional design charges here, so you can rest assured that your screens will always look their best without breaking the bank.

# UNLIMITED SUPPORT

We pride ourselves on providing unmatched customer support. We understand the importance of human connection when resolving concerns and ensuring client success. That's why we offer unlimited and ongoing support to all our clients. Our dedicated team can always help you with any questions or issues.

# FLEXIBLE USER PERMISSIONS

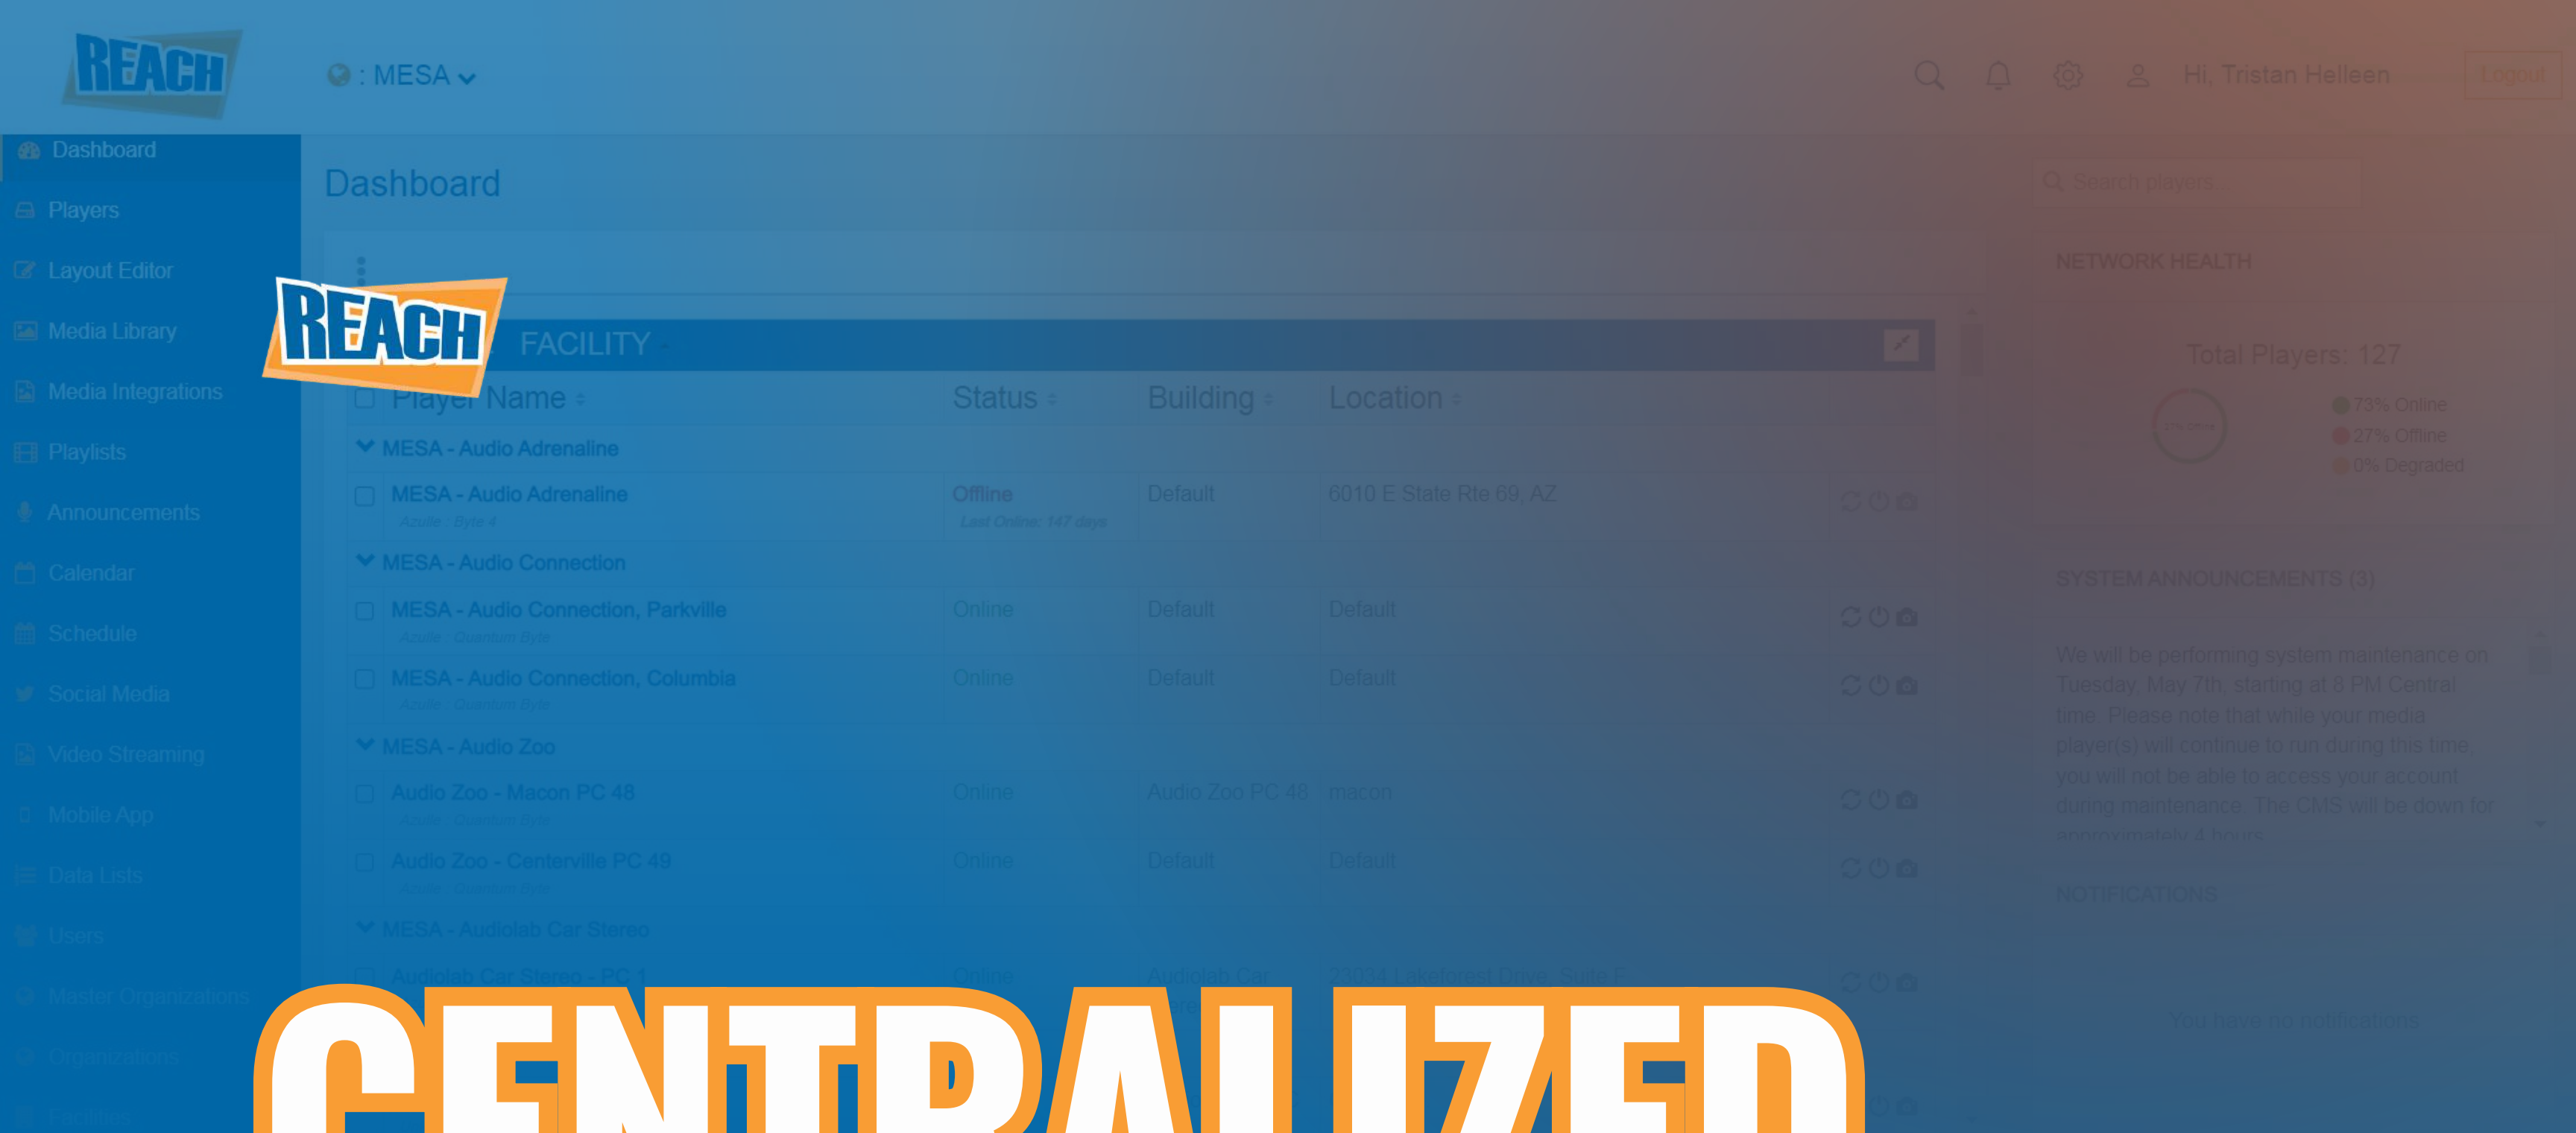

Our software is designed to cater to the unique needs of different user groups, and we have made it simpler than ever to customize user access. You can tailor each user's access level to ensure they have access to the applications they need and nothing more.

# SIMPLE CONTENT PUBLISHING

Our platform caters to basic and power users, making publishing content on your digital signage a breeze. With real-time content pushing, you can update your screen with just a few clicks. You can also save time by scheduling assets in advance for future use.

# CENTRALIZED MANAGEMENT

With our platform, you can enjoy the convenience of centralized management. This means you have complete control over your digital signage network, all from a single location. Monitoring and updating content has never been easier. Say goodbye to the hassle of managing individual screens and hello to streamlined efficiency.

Below this is a 'BAGSTER' logo with the tagline 'DUMPSTER IN A BAG'. To the right, there's a section for 'FRIDAY (DEC 1)' featuring an 'Eco Vista Renewable Natural Gas Facility' announcement. Below that, it says 'All Upcoming Events Will Display Here' and lists an '8:00 am - 5:00 pm CDL Driver Hiring Event'. Further right, there are icons for 'Zoom', 'Microsoft Word', 'Power BI', and a calendar showing '31'.

# FREE BUILT-IN INTEGRATIONS & APPS

Our platform offers a wide range of free, built-in integrations and apps that can significantly enhance the functionality and effectiveness of your digital signage. With features like weather updates and social media feeds, you can create engaging content that resonates with your audience.
