

Payroll and Taxes Made Easy

Simplify your payroll process and minimize compliance risk with Inova Payroll.

Unified Platform | Exceptional Service | Relationships that Matter

Reimagine Your Payroll Process

- Cloud based payroll and HR technology for companies of all sizes.
- Nationwide federal, state, and local tax filing, depositing, and reporting.
- Easily modify deduction and earning codes, direct deposits, tax jurisdictions, and other payroll elements.
- Automatic tax table updates ensure withholdings are accurate. Receive alerts to flag issues and reduce errors.
- Employee self service for reviewing paystubs and reprinting W-2s.
- Quarterly and annual returns, W-2s, and 1099s.
- Payroll data is readily available through highly configurable reports.
- Unified timekeeping solution simplifies tasks such as approving timesheets, correcting missed punches and responding to PTO requests.
