Leading appliance platform KitchenAdvisor halved their response times with telli

+ 50% faster response times
with potential customers

+ 5p.p. consultation booking conversion
through time savings of sales team

kitchenadvisor

"Since we started using telli, our sales floor has gone from chaos to calm. The team now focuses on helping customers instead of dealing with the hassle of reaching and scheduling them - and we haven't missed a single lead since. It's been a game-changer."

Richard Ruben
CEO & Co-Founder, KitchenAdvisor

Use Cases

**Instant Calls**
instant calls after sign-up

Direct transfer
to sales manager during working hours and if available

Appointment Booking
for sales managers outside of working hours

Germany's #1 home-buying platform, McMakler, books more qualified property viewing appointments with telli

McMakler

+ 3x increase in customer engagement

"The **telli** agent is a valuable addition to our team - keeping queue lengths low during peak times, engaging potential buyers in in-depth conversations about the property and booking highly qualified viewing appointments for our local agents."

Matthias Knoche
COO, McMakler

Use Cases

Pre-Sales
answering detailed listing questions to potential buyer leads

Appointment Booking
scheduling qualified leads for local real estate agents
