Plan activities based on your sales scenarios: calls, meetings, mailings, and quotations. All the necessary information can be found directly on the opportunity (web page viewed, mail received, etc.).

Sales

Create and send online quotations in just a few clicks.

Our offer

Our offer is based on 3 commitments, which drive our business and our partners:

QUALITY	SERVICE	PRICE
Quality in many ways, our reputation was built on the first value.	We are always reachable to help you, do not hesitate to contact us at any time.	Our prices are the lowest in the region, if you find cheaper elsewhere, we will refund the difference.

Your products/ services

The description of products/services from your quotation will be displayed below. To write a quotation description, edit your product, go to the sales tab and add a text in "Description for quotations".

The full iPad experience
There's less of it, but no less to it.

Everything you love about iPad — the beautiful screen, fast and fluid performance, FaceTime and eight cameras, thousands of amazing apps, 10-hour battery life... — is everything you'll love about iPad mini, too. And you can hold it in one hand.

Validate Order

Website

Get all your business needs, out-of-the-box.

The screenshot shows a website builder's interface with a sidebar containing various block options like Banner, Cover, Text, Image, Title, Numbers, Columns, Masonry, and Image Gallery. The main area displays a homepage template with a dark header featuring a 'Catchy Headline' and a 'About us' button. Below the header is a banner with a flower image and a paperclip icon. The main content area has three featured sections labeled 'Feature One', 'Feature Two', and 'Feature Three', each with an image and a title. Below these features are four statistics: '12 Useful options', '45 Beautiful snippets', '8 Amazing pages', and '37 Outstanding images'. A 'Have a Question? Chat with us.' button is at the bottom right.

Forget about code, just drag & drop prebuilt widgets themed to match your brand.

The screenshot shows a blog section with a header 'Blogs: All Travel Astronomy'. Below are three blog posts in cards:

- Sierra Tarahumara** by YourCompany, Mitchell Admin. It features a red-toned mountain landscape image, a bio about the destination, and tags adventure, hotels. It was posted on May 26, 2020.
- How to choose the right hotel** by YourCompany, Marc Demo. It features a travel scene with a blue dome and a cruise ship, a bio about choosing a hotel, and tags hotels. It was posted on May 25, 2020.
- Maui helicopter tours** by YourCompany, Mitchell Admin. It features a scenic view of a volcanic island, a bio about helicopter tours, and tags adventure. It was posted on May 24, 2020.

Subscriptions

With Odoo Subscriptions, generate recurring invoices and manage renewals.

For customers, value lies in convenience. Customers do not have to remember to renew their subscriptions, and they are on budget compared to the budget initially set.

For business, value lies in the ability to predict recurring revenue. Subscriptions reduce the attrition rate, significantly increase customer loyalty, and guarantee your income.

The screenshot shows the Odoo Subscriptions module interface for a specific subscription record:

Subscription Details:

- Customer:** YourCompany, Joel Willis
- Referrer:** (empty)

The screenshot shows a website header with links: Shop, Events, Forum, Blog, Help, Jobs, Courses, Appointment, Live Support. On the right, a user profile 'Mitchell Admin' is shown. The main content area features a banner with a landscape image and the text 'Discover the best travel destinations for your next vacation'. Below the banner is a section titled 'How to choose the right hotel' with a sub-section 'How To Look For Hotels'. A live chat window is open, showing a message from 'Mitchell Admin': 'Did we correctly answer your question ?'. It includes three circular icons with faces: a blue smiley face, an orange neutral face, and a red sad face. At the bottom of the window are buttons for 'Receive a copy of this conversation' (with an email input field 'mail@example.com') and 'Close conversation'.

Recruitment

Automate recruiting and employee onboarding.

The screenshot shows a user interface for creating a job posting. On the left is a sidebar with various content blocks like Banner, Cover, Text + Image, etc. The main area has a dark header with "Catchy Headline". Below it is a text input field with placeholder "Write one or two paragraphs describing your product, services or a specific feature. To be successful your content needs to be useful to your readers." There are "About us" and "Contact us" buttons. To the right is a decorative image of flowers and a pushpin. Below the header are four stats: "12 Useful options", "45 Beautiful snippets", "8 Amazing pages", and "37 Outstanding images". Under each stat is a small image: "Feature One" (a rocket launch), "Feature Two" (a rack of clothes), and "Feature Three" (a hand holding a smartphone). At the bottom is a button "Have a Question? Chat with us."

Easily create and publish job postings on your website and manage the interview process effortlessly with custom stages. Convert your candidates into employees in one click and seamlessly start their onboarding process.

Referral

What if recruiting was an engaging game that everyone played?

Screenshot of the Referrals app interface showing three profiles: Joren Jacob, Enrique Jones, and Sandra Elvis. Each profile includes a progress bar for points earned and a list of tasks completed.

Profile	Responsible	Total Points
Joren Jacob	Mitchell Admin	21 / 85 Points
Enrique Jones	Marc Demo	1 / 85 Points
Sandra Elvis	Marc Demo	You earned 85 Points

Tasks completed by each profile:

- Joren Jacob: First Interview (+20 Points), Initial Qualification (+1 Points), Second Interview (+9 Points), Contract Proposal (+5 Points), Contract Signed (+50 Points).
- Enrique Jones: First Interview (+20 Points), Initial Qualification (+1 Points), Second Interview (+9 Points), Contract Proposal (+5 Points), Contract Signed (+50 Points).
- Sandra Elvis: First Interview (+20 Points), Initial Qualification (+1 Points), Second Interview (+9 Points), Contract Proposal (+5 Points), Contract Signed (+50 Points).

What better way is there to engage your staff to participate in the recruitment process than to make it into a game with accumulated points that can then be redeemed for prizes.

Screenshot of the Referrals app interface showing three profiles: Joren Jacob, Enrique Jones, and Sandra Elvis. Each profile includes a progress bar for points earned and a list of tasks completed.

Profile	Responsible	Total Points
Joren Jacob	Administrator	21 / 85 Points
Enrique Jones	Marc Demo	40 / 120 Points
Sandra Elvis	Marc Demo	You earned 150 Points

Tasks completed by each profile:

- Joren Jacob: Initial Qualification, First Interview, Second Interview, Contract Proposal, Contract Signed.
- Enrique Jones: Initial Qualification, First Interview, Second Interview, Contract Proposal, Contract Signed.
- Sandra Elvis: Initial Qualification (+10 Points), First Interview (+20 Points), Second Interview (+10 Points), Contract Proposal (+50 Points), Contract Signed (+60 Points).

Internal referrals have typically been of higher quality than most other applicants. The Referrals app turns the process of finding talent into a fun and exciting game to drive the best people forward and apply.

Time Off (Leaves)

Make the process of requesting and approving time off easier!

Approving your employees' vacation, PTO, and sick leave has never been easier. The Time off app offers a simple yet comprehensive way to manage time off requests and approvals with full visibility for all parties.

The screenshot shows the Odoo Time Off module. On the left, there's a sidebar with a 'Dashboard (August 2020)' section and a 'Time Off Requests' section. The main area displays a leave request for 'Vacation 2020' from August 26, 2020, to September 05, 2020, for 64.00 hours, described as 'Annual Leave'. Below this is a calendar for August 2020, with specific dates highlighted in red (August 24, 25, 26, 27) and blue (August 28, 29, 30). At the bottom right of the calendar, there's a small calendar icon.

Requesting your next vacation is now only a few clicks away!

Chatter (Discuss)

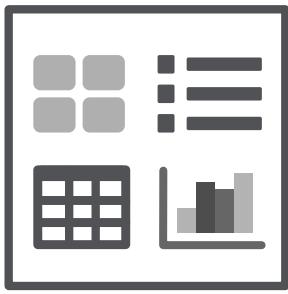

Enhance team communications with group and private chat.

The screenshot shows the Odoo CRM interface. At the top, there are tabs for CRM, Sales, Reporting, and Configuration. Below that, a pipeline section for Discounts is shown. The main area displays a list of tasks and notes. A task from 'YourCompany, Mitchell Admin' is listed with the note: 'Original note: call Thomas @ discounts'. Another note from 'YourCompany, Mitchell Admin' is dated July 29, 2020, with the note: 'Salesperson: Mitchell Admin'. At the bottom right, there are buttons for 'Send message', 'Log note', and 'Schedule activity'.

Each view in Odoo comes with what we call “Chatter”, the chatter is an awesome communication and history tool internally or externally, with chatter, you can quickly reach anyone in our outside of your organization, keep track of discussion, schedule activities, status change and so much more.

The screenshot shows the Odoo Discuss interface. The left sidebar includes links for Inbox (3), Starred (1), History, Moderation Queue (1), CHANNELS (# general, # Mailing, # Project XYZ, # Sales, # Sports), and DIRECT MESSAGES (Ana Johnson, Lucas Miller, Natalia Fargo, OdooBot, Rachel Muller). The main area shows a list of messages. A message from Ana Johnson on April 24, 2020, says: 'I will schedule a call with them, and let you know how it goes.' Another message from Ana Johnson on April 24, 2020, says: 'Note by Ana Johnson - 4 days ago on Enterprise Version - 3 users @John Smith'. A message from Natalia Fargo on April 24, 2020, says: 'Hello, everyone! Good news! We will have a new office coming up soon! Cheers, Natalia'. A message from Lucas Miller on April 24, 2020, says: 'Hello, guys! Thank you! I am excited to start working with you all! 🚀'. At the bottom, there is a text input field with placeholder 'Write something...' and a 'SEND' button.

The chatter is the complete history of the task, sale order, project, event, etc.
