Connie

Bettany

"Miro has been magical in terms of how we develop future propositions that impact the lives of our consumers."

Christian Saclier
VP, Design Innovation
@ PepsiCo

## Discover, define, and deliver *IN ONE AI-POWERED PLATFORM*

Give your team space to create with our infinite canvas

We've got built-in collaboration features like embedded video walkthroughs, comments, and multiplayer interactions so you can make anything & everything.

Build the next big thing faster with Miro AI — your innovation partner

Mind mapping. Diagramming. Organizing insights. Miro AI uses your board content to help you do your best work.
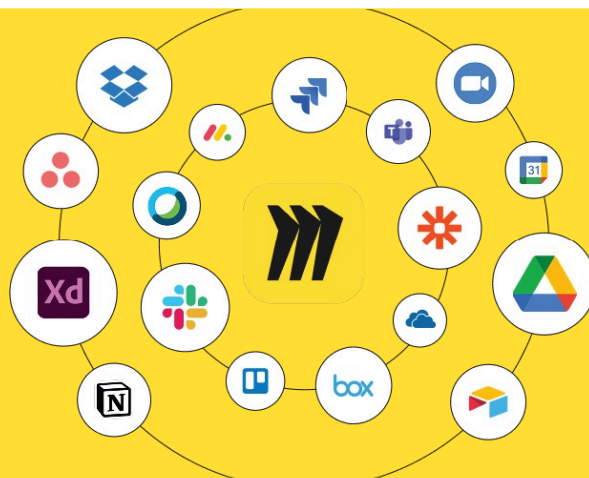

Kickstart the big work with our apps & 6,000+ templates

Help your team solve the important problems by exploring innovative techniques, learning from the best, and scaling proven best practices.

See ya, silos.
Hello, **NEXT BIG THING**.

Having so many tools often leads to silos. So we've got integrations with 160+ apps like Google, Teams, and Jira. It's easy to keep info visible and current.

WE'VE GOT INDUSTRY-LEADING PRIVACY & SECURITY STANDARDS

Trusted by more than 90M users and 250,000 companies

Secure, intuitive access control

You'll get enterprise-grade functionality and controls to manage the administration of your team and users.

Trusted data protection

Protect and manage the intellectual property you create or add to our platform.

Compliant with GDPR

We're the only enterprise visual workspace that lets you host customer content in EU data centers.

### Approved and certified

ISO/IEC 27001, NIST, SOC2 Type II, SOC3, TISAX, and more. We follow industry best practices and regulatory requirements

THE SANTA FE GROUP   NIST   CYBER ESSENTIALS   CSA cloud security alliance℠   TISAX

INNOVATION BY THE NUMBERS

We talk big. But the data backs it up.

Improve alignment

80% say Miro has improved alignment across teams

Work more effectively

20% reduction in time to complete a project
