

Effortless management. **Inspired volunteers.**

From first shift to lasting impact, Bloomerang Volunteer empowers you to build a vibrant, committed volunteer network.

**8% INCREASE IN
RECRUITMENT**

Streamline every step—recruitment, scheduling, communication—so you can welcome more people, fill more shifts, and create experiences that inspire lifelong support.

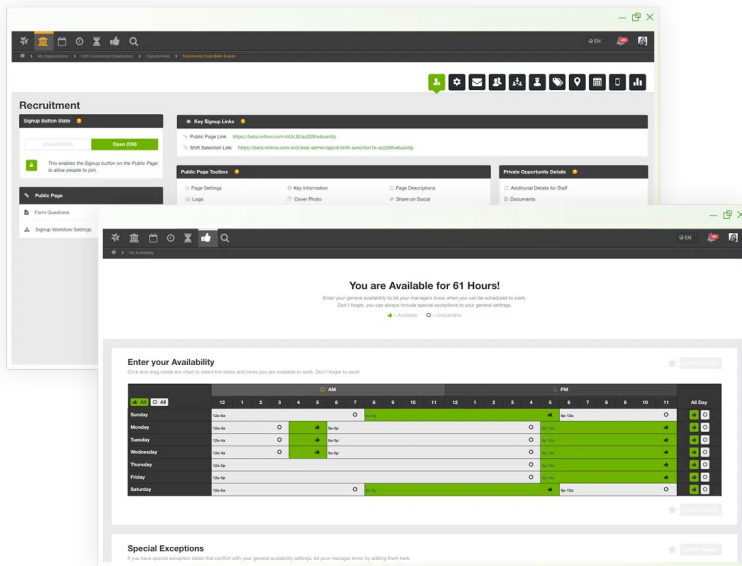

**35% INCREASE IN
PARTICIPATION**

As part of our Giving Platform, Bloomerang Volunteer works seamlessly alongside Bloomerang CRM and Fundraising to connect your community, convert volunteers into donors, and grow impact without limits.

“[Bloomerang Volunteer’s] flexibility in creating volunteer shifts and curating schedules is incredible. Volunteers really appreciate the ability to self-sign up and the flexibility to fit their volunteering around their busy life, work, and family schedules.”

Josh Cassidy
Ottawa Cares

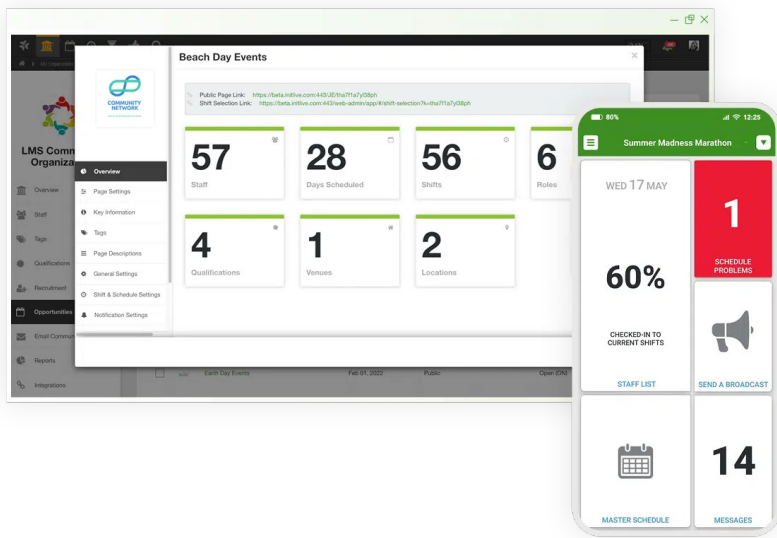

Attract and engage the right volunteers.

Create a recruitment experience that draws passionate individuals and matches them to meaningful roles that inspire dedication and growth.

Simplify scheduling, amplify focus.

Take the stress out of scheduling with tools designed to save time and keep your team effortlessly organized.

Channel insights into impactful action.

Leverage real-time data to continuously enhance your programs, creating enriching experiences that keep volunteers coming back.

Turn service to sustained support.

By connecting Bloomerang CRM and Volunteer, connect those who give time with those who give financially—growing impact in both directions.
