

Powering Registered Apprenticeships

Mission

Empowering companies to scale
Apprenticeships & Work-Based Learning
by automating their most time-consuming
& repetitive tasks.

Who We Serve

Employer-Sponsors

Single-Employer Apprenticeship programs

Sponsors & Intermediaries

Multi-Employer Apprenticeship programs

Regulators

Statewide agencies overseeing multiple programs

Apprenticeship Management System (AMS)

OJT & RTI Tracking

Automate time tracking, attendance & course grades

Wage Management

Automate apprentice wage schedule adherence

Performance Management

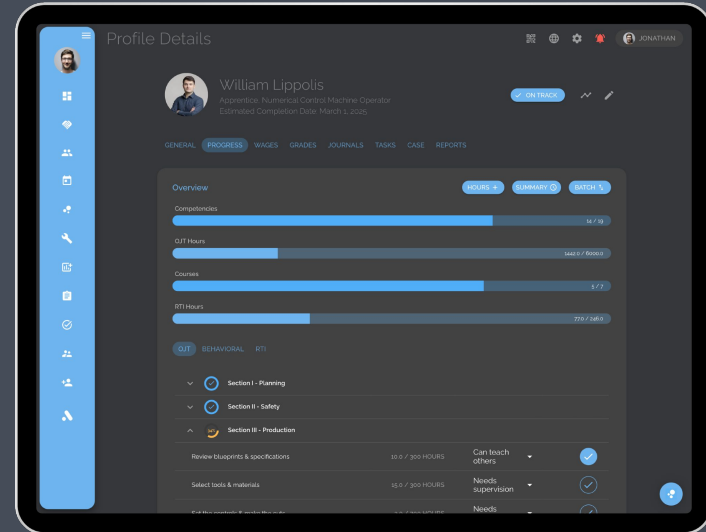

Streamline Competency-Based skills progressions

Partner Management

Manage Employers, Education Providers & Job Sites

Compliance Automation

Streamline RAPIDS, WIPS & IRA compliance workloads

Apprenticeship Services

Apprenticeship Program Development

Our Apprenticeship Services Team will coordinate design sessions, draft Standards of Apprenticeship and supporting documents, file to register programs with USDOL OA and/or SAAs, and more.

Apprenticeship Compliance Assistance

Let our Apprenticeship Services Team register new apprentices in RAPIDS and/or SAA systems, reconcile data between RAPIDS and/or SAA systems and ApprentiScope, and more, so you no longer need to maintain multiple systems to stay compliant.

Key Outcomes

- ✓ Boost efficiency by standardizing program operations
- ✓ Increase visibility by centralizing program data
- ✓ Reduce costs by reducing administrative time
- ✓ Increase ROI by improving program outcomes

Dedicated Support

Onboarding Support

Our Success team will assist you with data migration & rollout

Ongoing Support

Get Technical Support & Training whenever you need it

Support Center

Proven Track Record

"ApprentiScope is a game-changer. It's cut our management time in half, giving us an enormous amount of time back to focus on growing & improving our programs. Our employers, instructors, staff, and apprentices love it."

Training Director
Builders Association of North Central Florida

"ApprentiScope saves our organization over \$50,000 per year on time savings alone. Having tried several other programs designed to help manage our programs, they're by far the best solution from both a product and support perspective."

Training Administrator
Plumbing, Heating & Cooling Contractors

"ApprentiScope is a godsend for our employers. Having an easy-to-use system for managing all of Apprenticeships moving parts has increased buy-in and energized them to keep going and bring on more apprentices."

Apprenticeship Program Manager
Community College System of New Hampshire
