

Chase growth, not payoffs.

Automate payoff orders for faster, safer closings.

Protect your disbursements and your team's time.

Order and verify payoff statements in seconds—not hours.

Request a payoff anytime with just 3 details.

Turn busywork into bandwidth.

Empower your skilled staff to focus more time
and energy on higher priority initiatives.

Protect every dollar that leaves escrow.

Built-in fraud prevention, automatically verified, plus
up to \$2.5M insurance on verified statements.

Confidence built into every payoff.

Payoffs you can track and trust before sending
funds.

An easier way to retrieve payoffs

1

Order a payoff from
your Closinglock file.

2

Select lender
or MSP.

3

Submit the request
with just 3 key details.

4

Track status in real-time
and store payoff documents.

“Balancing speed and security is one of our biggest challenges. Reducing the time we invest in preparing for closing—without compromising our rigorous controls—is a game-changer for our operational efficiency.”

— Kristy Santelia, President of the Austin & San Antonio Regions, Capital Title of Texas
