Onboarding services

Complimentary Onboarding*

Make the most of your subscription and fast-track your deployment with Prey’s onboarding. A dedicated Customer Success representative will be available for your first 30 days after purchase. In the onboarding service you’ll get the following:

- Direct email for your Customer Success representative.
- An introductory 45-minute call, tailored to your specific use case.
- Follow-up session (up to 45 minutes) with hands-on assistance for configurations and feature demos.
- Recordings, summaries and key takeaways for all sessions.

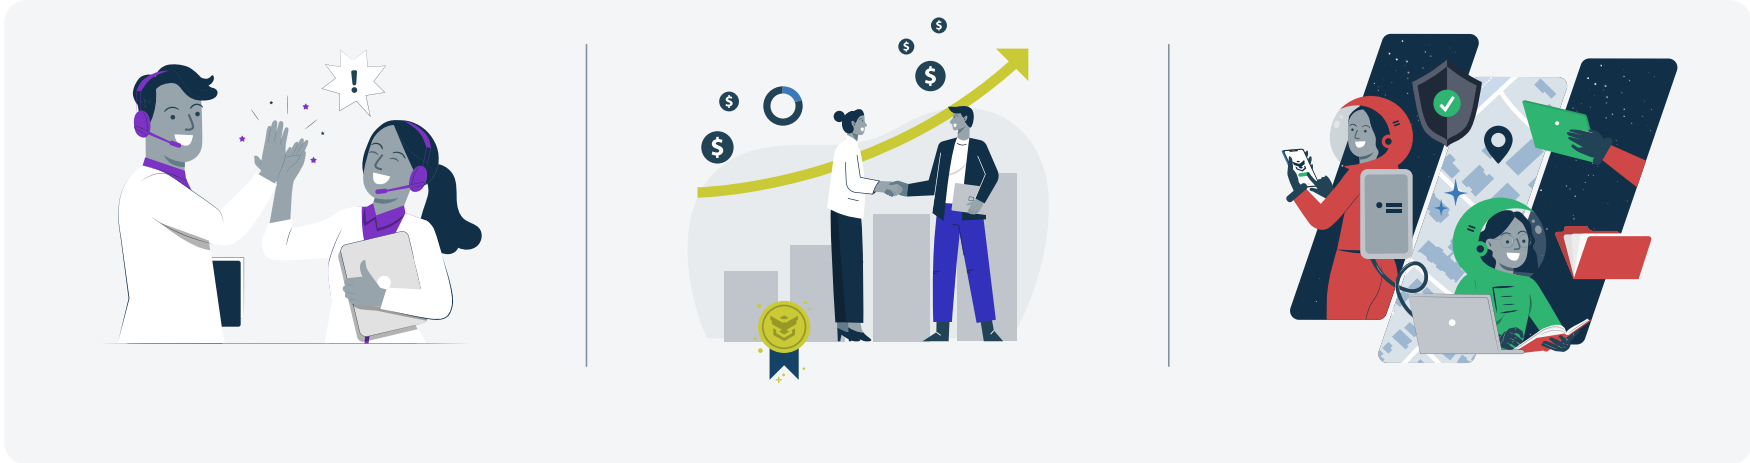

*For Full Suite and Protection customers purchasing 100+ device slots.

Premium Onboarding

Hit the ground running with Prey’s premium onboarding service. Available to all Prey customers, regardless of plan. Take a 90-day Onboarding journey with a dedicated Success expert for just \$399. It includes the following:

- Direct email relationship with your rep
- An introductory 45-minute call, tailored to your specific use case.
- Up to two 45-minute follow-up sessions to make sure your onboarding process is smooth and painless.
- Additional live 45-minute sessions are available for purchase at \$100 per session.
