## COLUMNS OF MULTIMEDIA CONTENT

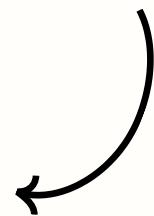

## SECTIONS PERSONALIZED WITH IMAGES

This landing page is designed with three columns that seamlessly blend text and images. The game screen is divided into sections with custom headers, featuring a clear, visual design that organizes information and makes it easy to explore games by category.

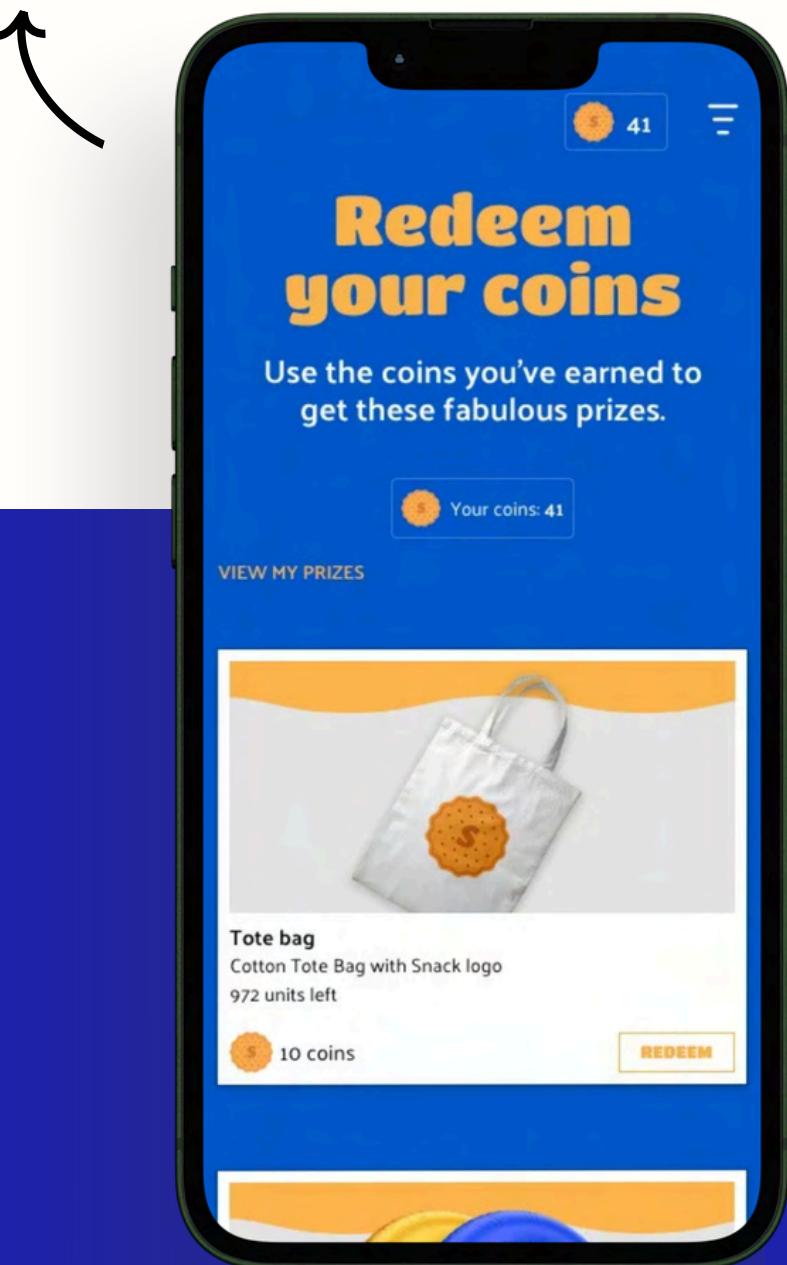

## CUSTOMIZED BUTTON WITH A BACKGROUND IMAGE

In this example, a background image is used to customize the promotion buttons. Both the virtual coins and the prizes are designed to align perfectly with the brand's visual style and look & feel.
