

The Smarter Way to Manage Community Efforts and CRA Data

Kadince helps banks of all sizes save time, collect more data, strengthen relationships, and showcase their CRA impact to examiners—all in one secure platform.

With Kadince, you can:

- Collect, document, and qualify more volunteer hours while strengthening employee engagement
- Approve donations, sponsorships, and grants faster, with clear documentation for CRA examiners
- Plan and manage more events while building deeper community relationships
- Identify and record community development loans that might otherwise be overlooked
- Track and analyze investments to ensure your institution meets CRA goals
- Map, geocode, and visualize all community development activity for easier analysis and reporting
- Build examiner-style reports in real time, formatted to meet regulatory expectations

Everything your team needs to manage community efforts and CRA data securely, efficiently, and at scale.

-  Unlimited users and data storage
-  Ongoing customer support
-  Built-in reporting and audit tools
-  Enterprise-grade security
-  Dedicated onboarding and training
-  Automatic updates and new features

Kadince delivers measurable results. On average, Kadince customers see:
