

The Smarter Way to Manage Community Efforts

Kadince helps financial institutions save time, strengthen relationships, and showcase their community impact—all in one secure platform.

With Kadince, you can:

- Approve donations and sponsorships faster, so community partners get the help they need without delays
- Collect more volunteer hours and strengthen employee engagement across your institution
- Plan and manage more events while building deeper community relationships
- Track every community partnership so you always know what your institution has done
- Build real-time reports that keep your team and leadership up to date

Everything your team needs to manage community efforts securely, efficiently, and at scale.

- Unlimited users and data storage
- Ongoing customer support
- Built-in reporting and audit tools
- Enterprise-grade security
- Dedicated onboarding and training
- Automatic updates and new features

Kadince delivers measurable results. On average, Kadince customers see:

67%

Reduction in time spent processing volunteer hours each week

118%

More volunteer hours collected annually

47%

Reduction in time spent planning and managing events each week

55%

Time saved each week managing donations and sponsorships

\$33,600+

Saved annually on community involvement efforts with Kadince

“Before Kadince, I was tracking all of our donations, sponsorships, volunteer hours, and events in a spreadsheet. Knowing there was a platform that could make this easier sounded wonderful. Now, Kadince allows our team to track our efforts more consistently and has helped me alleviate so much of what I was doing manually lasdadaadsadada.”

Jennifer Reed
VP Public Relations, Sound Credit Union
