

A Better Way to Pay: Simple, Secure, Smart.

Help your clients access legal services by making payments easier. Effortless setup makes it possible to accept credit card payments on the same day. With features such as easy invoicing, next-day funding, and surcharging all within Tab3 Software, the choice is clear.

Key Benefits:

-  Enhanced Client Convenience
-  Reduced Manual Errors
-  Improved Client Access to Legal Services
-  Streamlined Collections
-  Certified PCI Compliant and Secure

With Tab3Pay You Can:

-  Accept credit cards, eChecks, and ACH transactions, plus PayPal, Venmo, and PayPal Pay Later
-  Allow clients to schedule payments, save credit cards, and access a secure payment portal
-  Send invoice links and trust deposit requests by email
-  Manage separate trust and operating accounts
-  Enable surcharging to minimize processing fees

Ensure access to the legal resources your clients need with payment options they prefer.
