MARVIN FISCHER - Amazing Solution

★★★★★

As a Salesforce Partner and ERP consulting firm, we have been seeking a complete PSA solution to be added to our consulting practice. We found Krow after implementing a few others and evaluating dozens of others PSA solutions. Without a doubt, Krow is the most amazing. Feature rich, beautifully designed and goes way beyond what others deliver in ...More

Stephanie Morgan - Just what we need!

★★★★★

We are thrilled to have found Krow. We are a very small project-based company. Our project management needs are pretty robust compared with the size of our company. It's been a challenge to find a software tool that is flexible and agile enough to handle our needs, while still being super easy and fast to use. This is project management software ...More

Dan Manojlovic - An invaluable tool for us!

★★★★★

Krow has become an indispensable tool for our business. We work on engineering projects and managing the resources can be a huge challenge. The PM functionality has helped us get on top of our projects, while also allowing the company to manage internal marketing and sales campaigns. Additionally, being able to monitor day-to-day tasks from the ...More

Daniel Warren - Great PSA Tool built on Salesforce Platform

★★★★★

As a Salesforce Partner we needed a tool that would assist us in managing multiple projects and Krow was the answer. By using the Resource Manager I can quickly see which employees are over or under utilize. David has been great to work with and has listened to our suggestions. We use the Agile PM Methodology and I can capture all the ...More

Carol Velasquez - The Missing Piece!

★★★★★

Krow is the organization tool we have been missing. Our team can now log into one workspace and have everything at hand to get work done. A prioritized to-do list, a calendar of deadlines and milestones, a place to chat, and so forth. Krow is giving us better insight into what our employees are doing and whether they are overworked. I ...More

Emsu Go - Absolutely fabulous! Project management made easy!

★★★★★

We deployed Krow to our creative team of designers, copywriters and project managers. We love that it integrates with all other Salesforce data. We have been able to eliminate time-consuming manual tasks through using triggers to auto-create Salesforce campaigns related to Krow projects. Team uses their preferred view on Krow tasks to manage their ...More
