

BOOST YOUR ROI

WITH  PipelineDeals

1 TIME TO SET-UP

Are you concerned that the implementation process will give you a major headache?

At PipelineDeals, the CRM is so simple and intuitive that it doesn't require a long ramp up time. The average onboarding period is less than a month. **This is 71% less than the average for CRM providers.**

TIME TO SET-UP:

19 DAYS
AVERAGE: 65 DAYS

EASE OF SET-UP:

AVERAGE: 80%

People rank us at an **89%** for ease of setup as opposed to the **80%** average.

2 SOLID SUPPORT

A common reason companies skimp out on a CRM is because they're afraid they won't use the system.

At PipelineDeals, we have an awesome customer support team for you to fuel your questions. And for an extra boost, you may even consider investing in our **affordable start services** to help get you ramped up with the CRM.

95% of our clients' needs are met in house, with additional assistance from our support team.

IMPLEMENTATION METHOD

2 - 3rd Party Consultant

5 - Vendor Services Team

119 - In-House Team

Based on a survey of 126 people.

3 ALL PATHS LEAD TO ADOPTION

Yes, implementation is quick. And yes, we have a dedicated team to help you along the way.

Because of this, your team will USE the CRM. Our adoption rates are 10% higher than that of an average user.

The more your team uses the CRM platform, the more your business benefits from being organized, closing more deals, and keeping your customers happy. **Come full circle with PipelineDeals and see a higher return on your investment!**

higher adoption rate

AVERAGE USER ADOPTION

AVERAGE: 75%

People rank us at an **83%** for user adoption as opposed to the **75%** average.

83%

“ In ten years, we have never considered switching to another CRM. The cost-benefit equation on PipelineDeals is way too heavily skewed toward benefit. It has grown and evolved, but it continues to be a perfect fit for us.

— Matt Enders, CEO of MGECOM
