

Top 5 reasons to move to the Cloud

1 Work from anywhere, anyhow

Get instant online access to Act! Premium solutions in the Cloud from your laptop, tablet, and mobile device. Work online for real-time access or work offline and sync changes when you connect next.

2 Offload the technical details

From initial setup to ongoing software management, we take care of the technical details. Enjoy concierge service from onboarding experts that help you get started. Receive automatic product and compatibility updates with no action by you.

3 Leverage a modern, secure platform

Hosted on Google Cloud Platform™, Act! Premium solutions in the Cloud give you best-in-class security, performance, and reliability. Automatic nightly backups and recovery protect your data from loss or damage. Private Cloud option available.

4 Save big on upfront costs

Forget about high upfront costs for servers and other infrastructure. With Act! Premium solutions in the Cloud, you only need to plan for a fixed monthly expense, while the rest is handled for you.

5 Change and grow with ease

Need to add additional users, increase storage, improve performance? Act! Premium solutions in the Cloud are nimble. Changes can be handled dynamically, without disruption to your users.
