

Change the way your business pays for things. Get a happier business.

Pleo is the easiest to use expense management and business spending system for all sorts of teams

Essential

Everything you need to kickstart the future of work and business spending for your team

5 GBP
per user, per month

Comes with all of this:

- ✓ **Plastic and virtual cards** for you and your team
- ✓ **Instant capture** of the merchant, category, and amount
- ✓ **Automatically grab receipts** from your Gmail inbox *Soon!*
- ✓ **Peace of mind** with a real-time overview, Google SSO and advanced fraud protection
- ✓ **Seamless integration** to Xero, e-conomic, Sage, Fortnox & many more
- ✓ **100% human support** with record-breaking response times (3 minutes, not bad right?)

Pro

As your team grows, Pleo scales with you. Go for Pro for enhanced product flexibility, customisation and insights

10 GBP
per user, per month

All of that, **plus** all of this:

- ✓ **Easy handling** of multiple teams and their Pleo usage through limits and reviews
- ✓ **Get notified** to review expenses that go over a defined amount
- ✓ **Real-time insight** into team spend with powerful analytics and reporting
- ✓ **Advanced customisation** by importing custom dimensions, VAT codes & more
- ✓ **Early access** to new, in-development features – before they hit the masses
- ✓ **Grant access** to an external bookkeeper to manage and export expenses

Premium

Become a V.I.P – a Very Important Pleo'er. Perfect for enterprises and larger teams

Talk to us

All of that, **plus** this:

- ✓ **Dedicated account manager** on hand to help when questions arise
