Mvix | SIGNATURE SUPPORT

Our Signature Care support provides mission-critical support for complex and enterprise-scale deployments of our solutions. It includes:

- | All premium software features
- | Lifetime warranty on digital signage players
- | FREE 36-month device replacement guarantee ("Tech Refresh")
- | FREE Professional Training | 2 x 1-hour slots (multilingual including Spanish)
- | Access to remote troubleshooting tools
- | 24-hour Technical Support | Phone + Web
- | Advanced Replacement | Cross-ship privileges
- | Priority Firmware updates/upgrades
- | Discounts on Custom Services
- | Accelerated response times (SLA: 3hrs)
- | 1000+ Professionally-designed templates

What is Tech Refresh?

- | Upgrading and replacing every player every 36 months at NO CHARGE!
- | Replacement with the most up-to-date player technology available.
- | Backed by our guaranteed 36-month replacement policy.
- | In addition, if any digital signage player is defective, we'll fix it and if we can't, we'll replace or refund it.

What is Lifetime Warranty?

If a signage player under Signature Care fails due to a manufacturing and technical defect, we will repair/replace/refund the player at our discretion.

The warranty is available for the lifetime of the product, so far as it is covered under Signature Care support.
