## User-based pricing

Our monthly user-based model provides you with a maximum number of active-users that can have an unlimited number of course enrollments.

Active-users are users with active login credentials that allow them to log into the LMS. Inactive-users are users that cannot log into the LMS. There is no cost for inactive-users. All LMS user data for inactive-users is retained for reporting and analysis. Inactive-users can be reactivated at any time.

Active Users	Price Per User/Month
1-100	FREE
101-1,000	55¢
1,001-5,000	50¢
5,001-10,000	45¢
10,001-20,000	40¢

**Annual plan:** Buy 10 months, get 2 months **FREE!**

## Enrollment-based pricing

Our annual enrollment-based model offers annual subscriptions that allow a maximum number of course enrollments for an unlimited number of active-users.

Enrollment-based pricing enables training organizations to align their LMS costs with their enrollment-based revenue.

Annual Enrollment Commitment	Price Per Enrollment/Year
1,000-5,000	\$2.50
over 5,000	\$2.25
